

Building professionalism in project management.™

Project Management Institute North Alabama Chapter

Annual Membership Meeting

At this month's meeting, the 2004 PMI Chapter Board officers will be introduced. We will provide an overview of upcoming activities and initiatives that PMI and our chapter plan to undertake in the coming year.

We are making preparations for sponsoring a PMP® Preparation Course in the spring and will host our 2nd Annual Professional Development Symposium in October 2004. In addition to mixing with other project management professionals, come share your ideas and provide feedback on our upcoming programs and activities.
